Hampton, Virginia is the oldest, continuous English-speaking city in our nation, and many pivotal moments in American history occurred here. The Hampton 2019 Commemorative Commission designated by Hampton City Council seeks to commemorate the 1619 landing of Africans at Point Comfort in English-occupied North America and to educate people about its role as a critical national turning point through programs, events, exhibits, and other opportunities for reflection. A highlight of the commemorative calendar is the August 23-25 First African Landing Commemoration at Fort Monroe and other sites throughout Hampton.
